

# International Air & Ocean

## Old School Transportation Management Services

Whether its full container (FCL) or less than container (LCL) loads or port to port, port to door or door to door moves – OS can handle all of your international air and ocean needs. From air-to-ship to train-to-truck, your shipments will benefit from our reliable and efficient multimodal international air and ocean services.

OS has partnered with premier international air and ocean companies to develop a dynamic global network so that you can rely on our delivery commitments. Additionally, by contracting your entire supply chain to OS we can alleviate time-intensive handovers to other logistics providers and provide full visibility to your company on a global scale using [www.EasyFreight.com](http://www.EasyFreight.com).
